Education

DKTE'S Textile and Engineering Institute

Electrical Engineering – 7.58 CGPA

Ichalkaranji, Kop.

Rajaram College

HSC – 70.9%

Kolhapur

Tavanappa Patne High School

SSC – 88.6%

Kolhapur

Experience

Java Developer Trainee

June 2023 – Nov 2023

Digital Microsys

Kolhapur

- Assisted in development of backend for e-commerce websites using J2EE technologies.
- Created an API using Servlet and used SQL to store data from learning management systems.
- Engineered a dynamic e-commerce platform from scratch utilizing JSP, JDBC, and Java for back-end development, and HTML, CSS, and JavaScript for front-end design with team of 10.
- Explored ways to collaborate with a team and good practices to communicate.

Projects

Yo-Chat - Link | Javascript, NodeJS, Express, MongoDB, React, Tailwind, SocketIO Aug 2024 – Present

- Developed a chat-app with real time communication by using socket Io.
- Designed the frontend in react and tailwind for simple and better user experience.
- Developed backend system in express and MongoDB for data manipulation and storage purpose.

Gamers Zone - Link | Javascript, React, Tailwind, Redux, Appwrite Apr 2024 – Present

- Developed a blog posting website for game related articles.
- Designed the frontend in react for seamless experience and used tailwind for better styling.
- Utilized appwrite for the backend operations like user authentication, database for storage as well as media storage.
- Used additional tools like react hook form and editors like tinymce.

Tweet Tube - Link | Javascript, MongoDB, Postman, Git, Node Feb 2024 – Present

- Combination of twitter and YouTube in one single application.
- Produced a backend web application using with Express serving a REST API and MongoDB for storing of data.
- Designed middleware which reduce the load on the server by 20% and improves data storage functionality.
- Utilized version control system such as git for presentation and further collaborations.
- Refined the project through Postman for testing.

Technical Skills

Languages: Java, SQL, JavaScript, HTML/CSS

Frameworks/Libraries: React, Redux, Node.js, Express.js, Tailwind, Daisy UI

Database : MongoDB, Oracle

Developer Tools: Git, Postman, Appwrite

Extracurricular

ELESA COMMITTEE

- Part of ELESA committee which oversaw activities held by department.
- Vice lead of event held by our department.
